Boat Shop [1]

Visit our state-of-the-art boat shop.

Our boat shop crew is usually hard at work restoring one or more donated boats that will become part of our permanent collection. They love an audience and will happily answer your questions.

Do you have a boat that needs some fixing up? A work bay in the boat shop can be rented by members to work on their own boats in a climate-controlled area with access to tools and knowledgeable people to help you complete your repairs or restoration project.

For more information please send email to: BoatShop@thelawsoncenter.org
