Thank you for being a member of the Lawson Center and for your support!

As an added benefit for active members ***at the Partnership Level \$150 and above***, the dock is open for your use both during and outside of museum open hours with the following 24/7-enforced guidelines. **Noncompliance with the guidelines will cause docking privileges to be revoked.** A new 2026 Docking Privileges Agreement will need to be on file in order to have dock gate access for the 2026 season.

- 1) All Member's boats must be listed on this registration form.
- 2) Do **not** use the interior slips (these are individually leased for the season) and do not dock on the inside of the main dock, since it blocks access to the leased slips.
- 3) No overnight docking.
- 4) No consecutive day docking.
- 5) The use of your gate access for parties not part of your membership is prohibited.
- 6) Member affirms their boat carries full insurance coverage.
- 7) Member will close and lock the dock gate behind them as they enter or exit.
- 8) Sharing of your dock access credentials and /or facilitating gate access to boaters outside your membership is prohibited.
